

Jiyoun Shin

Ph.D. Program in Educational Psychology
Department of Education
Korea University

Anam-dong, Seongbuk-gu, Seoul 136-701, Korea
Shin jy82@hanmail.net

❖ RESEARCH INTERESTS

My work focuses on the self, motivation, and social context. I look at the relations which personal traits, motivational beliefs, and context interact with each other. To investigate the complexity of individuals' beliefs and behaviors, I hopefully propose the way to enhance the quality of students' academic life.

❖ EDUCATION

| | |
